

**The New York City STD/HIV Prevention Training Center  
and the NY/NJ AIDS Education Training Center Announce:  
STD/HIV Clinical Issues Update – Friday March 30, 2012**

**The New York City Prevention Training Center (NYC PTC) and  
the NY/NJ AIDS Education Training Center announce:  
STD/HIV Clinical Issues Update**

**The purpose of this training is to enhance the skills of clinical  
providers regarding care for their patients' sexual health. We  
invite clinical providers; physicians, nurses, advanced  
practice nurses, nurse practitioners, physicians' assistants,  
and midwives who practice in New Jersey to attend.**

**Objectives:**

1. Describe recent trends in the epidemiology of common sexually transmitted infections in NJ.
2. Describe current STD screening strategies, diagnostic algorithms, and CDC treatment recommendations

**Topics covered include:**

2010 CDC STD Treatment Guidelines, Chlamydia and Gonorrhea, Innovations in HIV Testing, Rapid HIV Testing, STD Cases in Syphilis, HPV and Herpes

**8:30 AM – 3:30 PM**

**Registration:**

Registration is \$15 and is required. We are unable to accommodate walk-ins. Registration includes morning coffee and lunch, and Continuing Education credits. Early application is suggested to ensure securing your registration and receipt of confirmation email. Due to the nominal cost, we are unable to provide refunds.

**To register:**
